17th Lea Fite Golf Tournament Results

The 17th Annual Lea Fite Golf Tournament is in the books! A huge thank you for everyone who helped to make this tournament a success! Everyone from people getting sponsors, door prizes, putting out signs, icing down drinks, registering golfers, bagging cookies, putting door prizes in order and taking care of handing out the burgers. Another huge thank you goes out to our many sponsors who have been faithful to this group over the past 17 years and also to the many businesses that provided door prizes to make this a fun and exciting tournament.

It was a beautiful day and we had a full field. We got there at 6 AM to start registering golfers and by 7 we were soaking wet from the humidity. We were able to get everyone out on the course by 8 and then it was on! Walter and Wayne made several trips out on the course with water and the golfers really appreciated it. We had a wide range of golfers, from an eleven-year-old to an 84-year-old. Everyone seemed to enjoy the day. We had one brief shower that lasted about 2 minutes and it cooled everything off for a bit. The golfers started coming in to enjoy hamburger and to get their door prizes. When the last golfers made it back in, Cory checked all the score cards and figured out the flights and the winners.

**Steel Magnolias and Men of Steel Meeting
May 26, 2026**

Brenda Parker called the meeting to order. We had 21 in attendance including 2 guests.

Gloria gave a wonderful blessing. We had a smorgasbord of food, including our main dish of fried and broiled fish with hush puppies.

The minutes was read by Ronda. Linda made a motion to accept the minutes as read and Eddie seconded the motion.

Chaplin Wayne gave a brief talk about Orlando Health taking over Regional Medical Center. They will put up the name change on the building October 1, 2026. They will also bring back several services to our area. They also will bring in their management to work with our current management.

Jimmy and Margaret talked about the golf tournament that will be held May 30, 2026. They spoke of the need for volunteers to fill golfer's bags, give out water and bag cookies.

We also voted for the Christmas brunch for 2026. Our brunch will be at the Oxford library and Alexanders will do the catering. We will have Christmas music playing in the background.

The devotion was given by Sherry. Memorial Day is a good time to remember good things in our lives. She talked about Moses, David, Daniel, Samson, Paul and the good memories did they left us. What are the memories we're making for people around us? What is our legacy? What can we do to leave a good memory behind. Sherry also led a spirit filled prayer for us and our prayer list.

Door prizes were drawn, with Linda, Jenny and Margaret winning the door prizes.

Elaine made a motion to adjourn the meeting and Cynthia seconded the motion.

**Respectfully submitted by;
Ronda Terrell**

Office is Staffed by Volunteers

Waiter: "How do you like your steak, sir?"

Sir: "Like winning an argument with my wife."

Waiter: "Rare it is!"

When I was a little kid, I literally thought "This little pig went to the market" meant it went shopping.

You'd think the part of the brain that used to remember phone numbers would take over and start remembering passwords. But noooo!

The kids won't stop bugging me about going to the beach, so tonight we're watching Jaws.

So, I was at the lumber company the other day and I walked by a fella and I said, "Hi Bruce". I could tell that he was a bit confused and I think he was about to tell me that his name wasn't Bruce.

But, then he realized, he was wearing his Batman shirt!

What if Volkswagen brought back the Beetle as an electric car... And called it the Lightning Bug. 🐞🐞🐞🐞

I know I'm getting old when I say..."Whatchoo talkin' 'bout, Willis?"...And nobody knows what I'm talkin' about.

When having a bad hair day, just wear a low cut blouse.

Guess who I bumped into on the way to get my glasses fixed?

"Everybody"
